

**In the Specification**

Please replace the paragraph beginning on page 20, line 2 with the following amended paragraph:

A privacy enclosure for use on a boat. The privacy enclosure includes a plurality of rigid wall structures that raise in a first vertical direction and extend in a second lateral direction to provide sufficient space for use as a changing room. The privacy enclosure includes a compartment within which a toilet may be located. The toilet can be ~~slide~~ slid out from the compartment into the interior of the enclosure for use.
